Mail Stop Missing Parts  
Commissioner of Patents  
P.O. Box 1450  
Arlington, VA 22313-1450

Sir:

This paper is filed in partial response to the Notice to File Missing Parts of Nonprovisional Application mailed March 23, 2004. We believe no fee is due to make this response timely filed. If a fee is due, please charge our Deposit Account No. 19-0733.

The executed declaration, filing fee, and surcharge for late submission of the filing fee and declaration will be submitted separately.

The following items accompany this paper:

- a paper copy of a substitute sequence listing (pages 1-11);
- a computer readable form of the substitute sequence listing; and
- a copy of the Notice to File Missing Parts.

Please enter the following amendment.
